OBJECTIVE

Third-year Computer Science student with a good understanding of Data Structures and Algorithms, looking for an internship to gain practical experience. Interested in web development and keen to learn and contribute to meaningful projects in a collaborative environment.

EDUCATION

B.Tech in Computer Science, Indian Institute of Information Technology, Sri City Expected 2027
CGPA: 8.62

Intermediate (MPC), Narayana Junior College - Tirupati 2021 - 2023
Percentage: 98.5%

Schooling, Sri Chaitanya Techno School, Puttur, Tirupati Completed 2021
CGPA: 10/10

SKILLS

Programming Languages	C, C++, Python, Java
Web Development	HTML, CSS, JavaScript, Node.js, Express.js
Database Technologies	MySQL, MongoDB ,SQLite
Developer Tools and Environments	Matlab, VS Code, Ubuntu,Git and GitHub, Replit
Academic Coursework	Data Structures, Operating Systems, Object-Oriented Programming (OOP)
Soft Skills	Time Management, Effective Communication,Aptitude and Logical Reasoning
Additional Technologies	Postman, Mongoose, npm, JSON, Command Line Tools

ACHIEVEMENTS

- Awarded Gold Medals in Mathematics, Aptitude, and Reasoning Olympiads
- Won Silver Medals in Physics Olympiad and Chemistry Olympiad
- Received multiple appreciations for outstanding artwork, essay writing, and speech performances, with top rankings in various local and regional competitions

PROJECTS

Service Helper Allocation Platform Currently developing a web-based platform using HTML, CSS, JavaScript, Node.js, Express, and MongoDB to connect service seekers with local helpers. The system includes features for user registration, service listing, and dynamic helper allocation based on seeker requirements. Emphasis is placed on real-time interaction and efficient data management for seamless user experience.

Dataset Organization for Crime Detection Worked on organizing and structuring crime-related datasets, including real-time data integration, data cleaning, and feature categorization in crime detection systems.

EXPERIENCE

- Member of the Student Development Council (SDC), actively contributing to the organization and coordination of major events such as UTKRISTA and ABHISARGA 2025 (Annual Fest), showcasing strong event planning and teamwork abilities.
- Served as an event coordinator for ABHISARGA 2025, ensuring the seamless execution of the 3-day annual fest and collaborating with various teams to maintain smooth operations.

- Played a pivotal role in managing activities across 8 technical clubs and 7 non-technical clubs, enhancing student participation and driving campus engagement.
- Contributed to the successful execution of ABHISARGA 2024, the annual fest, by coordinating key operations and supporting creative and logistical arrangements, enhancing the overall event experience.

LEADERSHIP

- Led teams within the Student Development Council (SDC), organizing major events like UTKRISTA and ABHISARGA 2025 (Annual Fest). As event coordinator for ABHISARGA 2025, managed planning, task delegation, and execution across a 3-day event. Directed 8 technical and 7 non-technical clubs, fostering campus engagement and teamwork.
